

VARIUM[®]

et mutabile

Following the success of The Snow Show 2004 in Lapland, The Snow Show 2006 will take place in conjunction with the XX Winter Olympic Games in Torino, Italy at the luxurious alpine ski resort of Sestriere. Six renowned artists and six leading architects from around the world have been selected to participate in the design of freestanding structures made primarily from the raw materials of snow and ice.

February 3, 2006 – March 19, 2006
